FOREWORD . . .

"And Thoughts
Of Youth
Are Long, Long Thoughts."

Longfellow

As we the youth of today go forward into the future,

The memories of our youthful days will linger.

Success will be our main goal; our hope will be the future.

But one quiet hour when life has come and gone, we will look to the past,

Remembering youth and its thoughts.

Taking in hand the treasured record, the memories will flow past . . .

The towering Gothic columns which stand unchanged by time

Protect the sacred halls of Classen, symbolizing the quest for knowledge.

The many forgotten names but well-remembered faces, the tolerant faculty,

Organizations which made school bearable. and the wonderful, wonderful joy of being

a student . . .

We will remember the disappointments which will seem so trivial now,

And the hard-earned success which warms the heart.

Then we will echo, "and the thoughts of youth are long, long thoughts."

DEDICATION...

We Honor Mrs. Tilsner

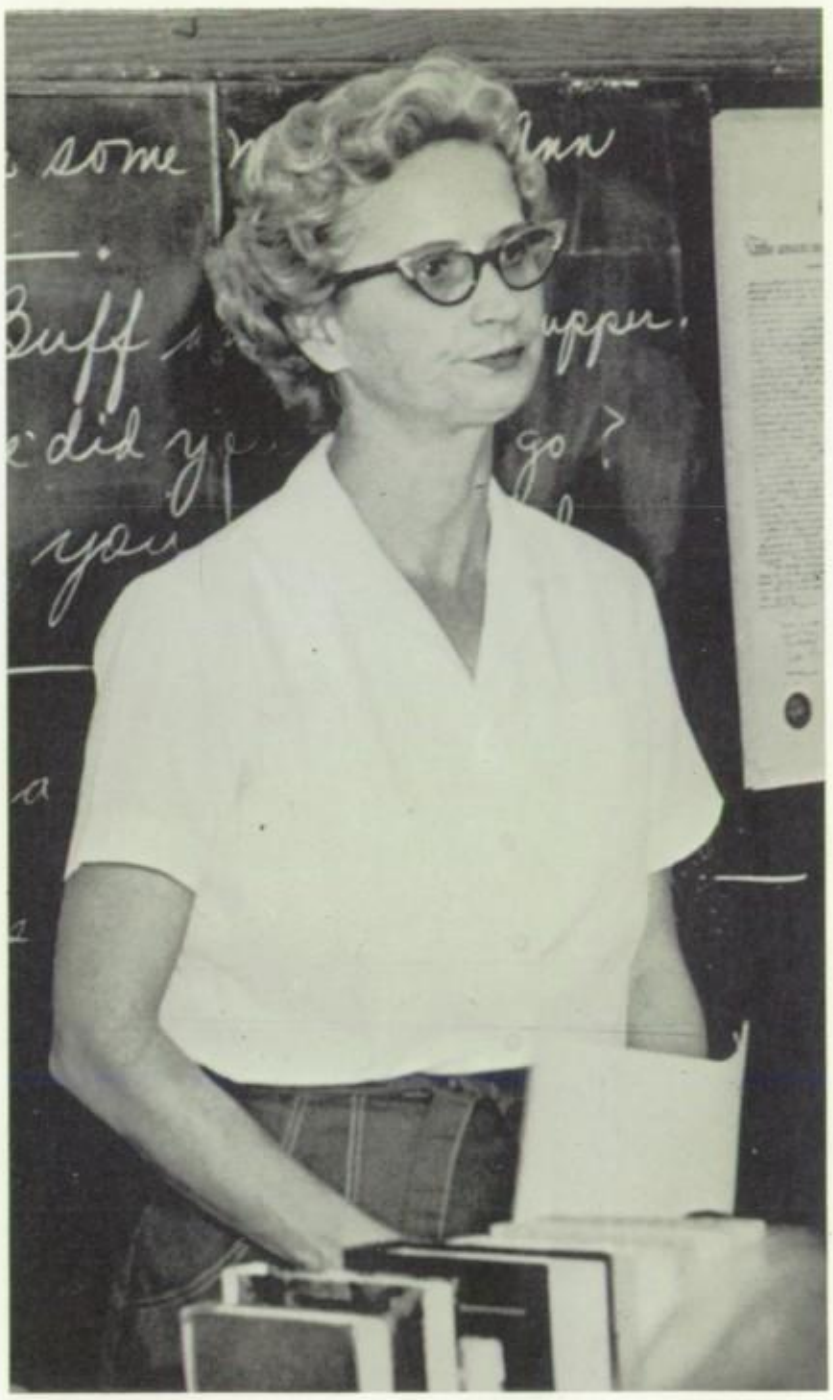
The Orbit staff represents the student body in dedicating this book to Mrs. Sibyl Tilsner, our Orbit sponsor. Since 1960, she has worked hard to give us five wonderful yearbooks.

Besides carrying the responsibility of the Orbit, Mrs. Tilsner teaches English to Junior High students. When she is not working on the Orbit, or grading English papers, you can usually find her involved in school and sports activities, for she is also an active sponsor for the Classette Pep Club.

Mrs. Tilsner began her teaching career at Classen five years ago. She is a graduate of Central State College, where she received her Master's Degree this past summer.

Sacrificing many precious hours for us, being more than just a teacher, and helping beyond the call of duty—for these reasons, we feel she should be honored.

Mrs. Tilsner, to you, we dedicate the 1964 Orbit . . .



Mrs. Tilsner . . . where's that fabulous smile?

Explaining yearbook details to Cynthia and Mrs. Tilsner is Mr. Curtis from Taylor Publishing Company.

Mr. Dalke, Mrs. Tilsner, and Mr. McPhail are competing for the title of "Happiest Teacher."

ACADEMICS

DR. JACK F. PARKER

Board of Education

The Board of Education is made up of five members elected by the people of Oklahoma City. Each member serves for a term of four years, except for the member at large, who serves for two.

They are headed by the Superintendent of Schools, Dr. Jack F. Parker. Their job is to provide the best equipment and teachers for the schools of Oklahoma City, and to improve the educational system in the best way possible.

Under their leadership Oklahoma City has a fine system of schools. To them we give our sincere thanks.

Administration

In any organization the character and personality of its leaders will be reflected in the functioning of the organization. In a school this is especially true.

Classen's achievements are the result of the efforts of many people, each of whom contributes to the overall success. However, more than to any others, Classen is indebted for its sense of direction, facility of operation, and quality of school life to Mr. Fleming, Principal, and Mr. Risdon, Vice Principal.

Mr. Fleming, who has been at Classen six years, received his master of science degree from Oklahoma State University. Mr. Risdon is beginning his second year as Vice Principal, having been transferred from John Marshall. He was granted a master's degree from the University of Oklahoma.

In the years to come we are sure the students will be grateful for the guidance these two fine men have given us.

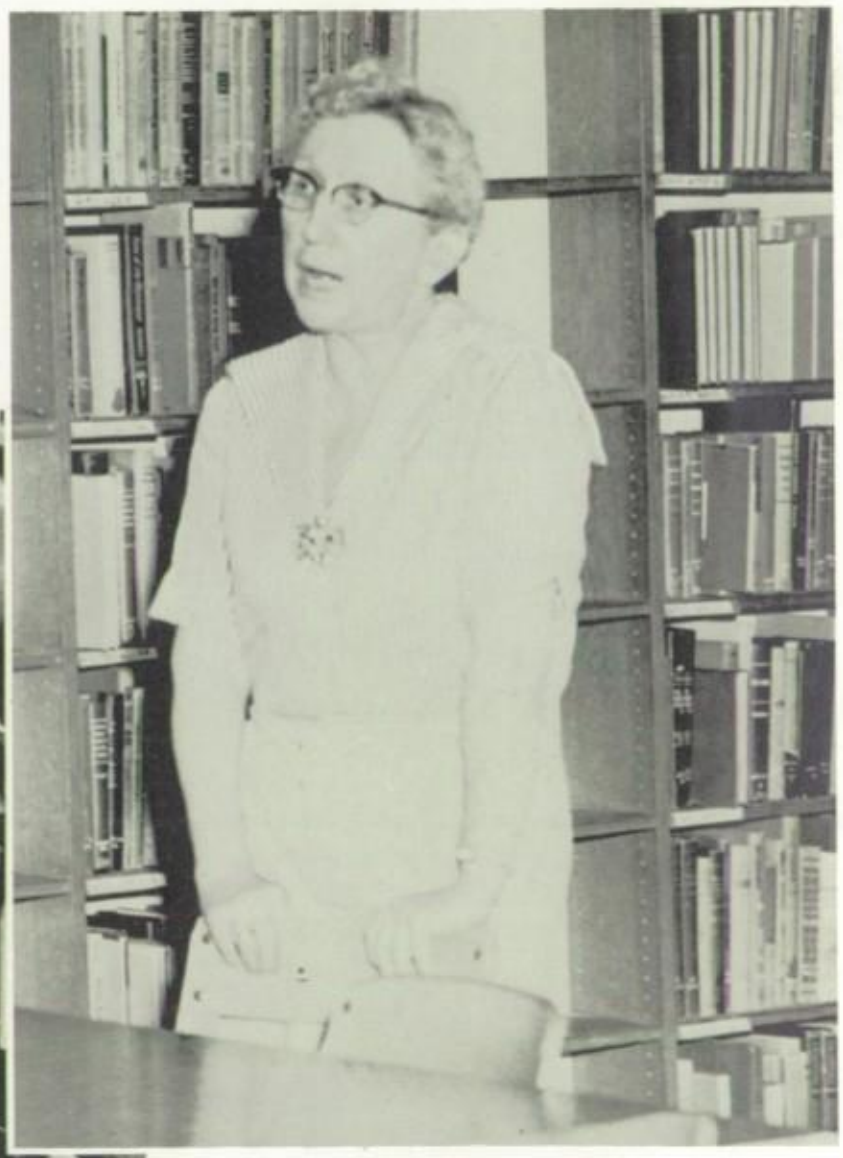
MRS. MARJORIE REYNOLDS

Lost a book? Need information for a report or theme paper? Need to find a book to read? All these questions can be answered by our librarian, Miss Etalea Unferth, as well as by Mrs. Marjorie Reynolds, assistant librarian. One can also find a student librarian to help. These students are chosen on the basis of their grade level, attitude, and an interest in serving.

These people have done a great deal to promote the library. In 1955/56 there were 3870 books in the library, but in 1963 the books have been built up to a total number of 9193. Also 10,478 students in the school session have used these books during 1962/63. This has been a tremendous job for the librarian, but it is a great asset to the students of Classen High School.

Silence is golden.



". . . and the encyclopedias are never to be taken out of the library."

This year's CLASSEN LIFE staff, headed by John Hawthorn, worked hard to give Classen's student body one of the finest newspapers in high school publication circles. The staff worked together in one class, consisting of first, second, and third year students.

The LIFE'S sponsor for the second year was the very busy Mr. John Hawthorn. Besides heading the LIFE activities, Mr. Hawthorn is a member of the Classen coaching staff and heads the Boys' "O" Club.

The LIFE staff afforded Classen students with excellent coverage of school events this year and we wish to thank them and wish them the best of luck in the successful years to come.

This year's CLASSEN LIFE staff consists of Susie Davidson, Pete Reynolds, Cindy McConnell, Diane Strickland, Sherrie Remington, Roberta McAfee, Mike Gipson, Otis Conner, Marty Pinkerton, Toni Friedman, David Echols, LaQuita Chapman, John Kelly, David Lee, Ronna LaGrange, Danny Davis, Shirley Flanagan, Mike Flannigan, Cindy Nash, Kathleen Hartford, Becky Main, Debby Barker, Andrea Samara, Benny Sherman, Joy Leach, Dorothy McDaniel, John Long, Pam Stephens, Barbara Bash.

Head photographer, Darrel Aten, organized the work for first year photographers, Gary Farmer and Steve Chernicky.

Getting away from Orbit business for a while are Cynthia Walters, Editor; Martha Moore, Copy Editor; Martha Minnich, Business Manager; and Kathy Tilsner, Art and Layout Editor.

"Bigger and better" was the goal set by the twenty people who make up the Orbit staff. We have striven to make an Orbit, that, as you look back after a period of years, you will find a complete coverage of *your* year, whether you are a seventh grader or a "superior senior." As Eugene Lee Hamilton has said:

"Things bygone are the only things that last:
The present is mere grass, quickly mown away:
The past is stone and stands forever fast."

Our thanks to Mrs. Tilsner, our sponsor, for the guidance she has given to us; and to Miss Unferth and the others who gave of their time to help us.

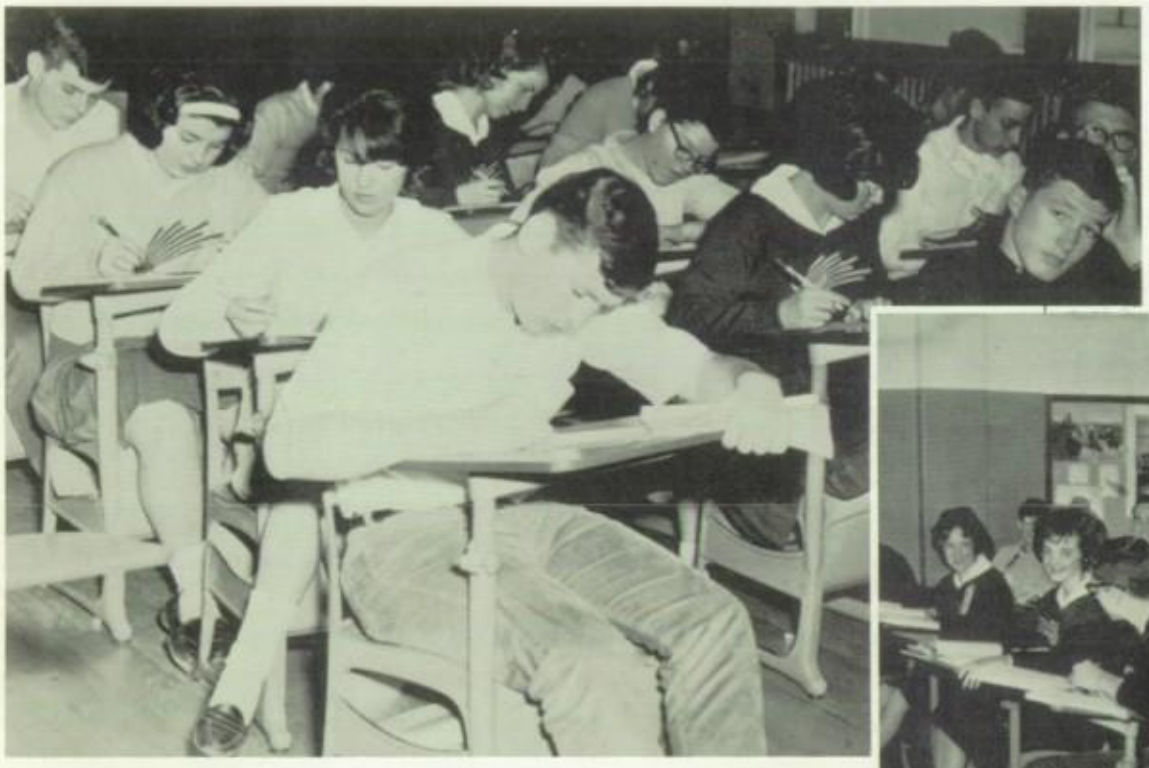
English Is English Is English . . .

MISS MARY NEEL
BS, MA, Northwestern Univ.
Department Head

"Double, double, toil and trouble; Fire burn and caldron bubble." English homework, alas, such a fumble! During his years at Classen everyone eventually comes across this quote from *Macbeth*. Many seniors before and many seniors after must memorize these same lines. Our English department requires the reading of *Macbeth* for seniors, as it requires sophomores to read *Silas Marner*, and juniors to read various American works. The teachers at Classen present these classics with the aim of exposing students to the better works of literature. In addition to this, Classen teachers try to supply students with a workable knowledge of English mechanics to prepare them for future education and employment. Classen's English teachers MUST be the best because each student takes English year after year after year.



A test is a test is a test . . . And *this* is a test.

Our group had 25% more failures with Neel.

Don't worry, Gary; they don't really know either.

Ah, class, here we have a pyramid.

Calculations Are Guided by the Best

In spite of homework in Math, known to most of us as a necessary evil, we recognize the value of the courses. The Mathematics Department at Classen has grown along with the school and has developed the interest of students so that more and more are enrolling in courses in higher Math.

Math proves to be one of the most rewarding classes in high school. While some of us take only required Math, others take the elective courses and prepare for jobs that require the use of exacting skill. Accuracy in thought is the result of application of mathematical operations. The challenge is stimulating, and our Math Department, while proud of national recognition its top students have achieved, does not rest on its laurels.

Whether dealing with knowns or unknowns, angles or triangles, the student is learning to master and apply mathematical skills.

Science Directed Toward Tomorrow

With the rising demand from American industry and national research for scientific educations, the Science Department at Classen is becoming more important and offering classes covering a greater variety of subjects. Classen has the distinction of having a most advanced and up-to-date program and supplying modern equipment for everyone's use. Classes dealing with almost all the questions a high school pupil can ask are available. The Science Department feels that by the time a student has reached the advanced courses he has as good a knowledge and background in science as anyone his age in the world. This department is laying the foundation for tomorrow . . .

"History with all her volumes vast hath but one page, MAN!"
. . . BYRON

As we approach the future, we realize that history is only a looking glass into what is to come. The History Department is aimed at giving every student an insight into the future by showing him history's story. Oklahoma History as well as World History enables us to understand the feelings of other people and to realize their importance in tomorrow.

In class the students are given the opportunity to discuss causes and evaluate events of the past. Thus, the story of mankind becomes more than dates, deaths, and disasters, but a more personal feeling of the events of history.

This is indeed a fascinating age in which to live. The day-to-day run of news that surrounds us displays some of the most startling achievements of all times. Today it's news—tomorrow it's history.

You should feel lucky, boys; if you were taking French in France it wouldn't be co-ed!

MRS. KAY DEE HORTON
BA, OU

This is a seventh grade class in Spanish, but they seem more interested in the camera than in learning Spanish.

More and more in our world today, we realize the importance of knowing our neighbors. In dealing with them, it is necessary that we have an understanding and appreciative attitude toward their point of view. To accomplish this, we must study their language and customs as they study ours.

Classen has three fine teachers to help the students attain this goal. Mrs. Fowler teaches Spanish, Latin classes are taught by Miss Compton, and Mrs. Horton, new to Classen's language department, teaches French.

They not only teach the structure of the language, but provide interesting films and reference materials relating to the customs of these countries.

Classen students have an opportunity to achieve a fine background in languages.

In order to be prepared for future home life, Classen students enroll in Foods and Clothing. These courses are under the fine direction of Mrs. Preble and Mrs. Smith.

Mrs. Smith instructs the girls who are interested in sewing. She gives her students helpful hints in preparing and caring for a wardrobe.

Mrs. Preble helps the girls taking Foods to prepare appetizing and enjoyable meals. Her students also learn beneficial rules of etiquette and ideas for keeping balanced budgets.

Art Expresses Originality

Art provides an outlet and a goal for thoughts and talents which might otherwise be left untapped. The majority of art work comes directly from class assignments, although some of the work is done on the student's own initiative in his particular field of interest. Posters and decorations for school functions are also made by the students. Training is given in Beginning Art, Advanced Art, Fashion Design, Commercial Art, and Crafts.

Music Staff Is Note Worthy

"Music hath charms to soothe a savage beast, to soften rocks, or to bend a knotted oak."
WILLIAM CONGREVE

During past years Classen's Music Department has ranked high in the state in Choir, Band, Glee Club, Orchestra, String Choir and in many solos. When the Classen Music Department attends a contest, the rating is usually superior for a job well done. Recent musical productions presented by Classen include: Mr. Wonderful, Pajama Game, Oklahoma, and Carousel—all of excellent quality. This year Classen has added Gerald Kiger to the staff. We are sure that Classen's Music Department will continue to be great in the future.

Curtain's Going Up

"Carousel" unfolds a strange and beautiful love story, told in the unforgettable songs from the hearts and pens of Rodgers and Hammerstein. Lovers walk the rocky Maine shores, sailors sing of the sea, townfolk gather for a gay clam-bake, and life and death are viewed from a typical New England heaven. It is the story of a young and beautiful girl, Julie Jordan, and of a proud and handsome boy, Billy Bigelow. Their life together is full of heartbreak and tears, climaxed by the death of Billy. Although he did nothing for his daughter during his life, Billy gives a star to her as the show closes.

Early-Birds

Schools are always tremendously proud of their bands. Nowhere could that be more true than at Classen. The marching band, consisting of all students enrolled in band, performs at football games and represents Classen in civic-sponsored parades. Bob Stevenson, the drum major, leads our band in every event. The band has been a big contributor to school spirit. They play at all home football games and at other important sports events. The band always places high in State Contests. Mr. Early is the expert conductor to whom the band gives much credit.

Kiger's Kids

The Classen High School Orchestra has done a tremendous job this year in helping make the Music Department the best ever. Under the expert direction of Mr. Gerald Kiger, the Classen Orchestra has led the Music Department forward to bigger and better things. The talent for the Senior High Orchestra comes from the Beginning Band students who are willing to work and practice their skill through Junior High Orchestra and into Senior High Orchestra. Classen's Orchestra is the best and will continue to be so in the future.

Classen's fine orchestra is led by the First Chairs, Chris Christenberry, Mimi Dye, Bob Hewitt, and Bill Fears.

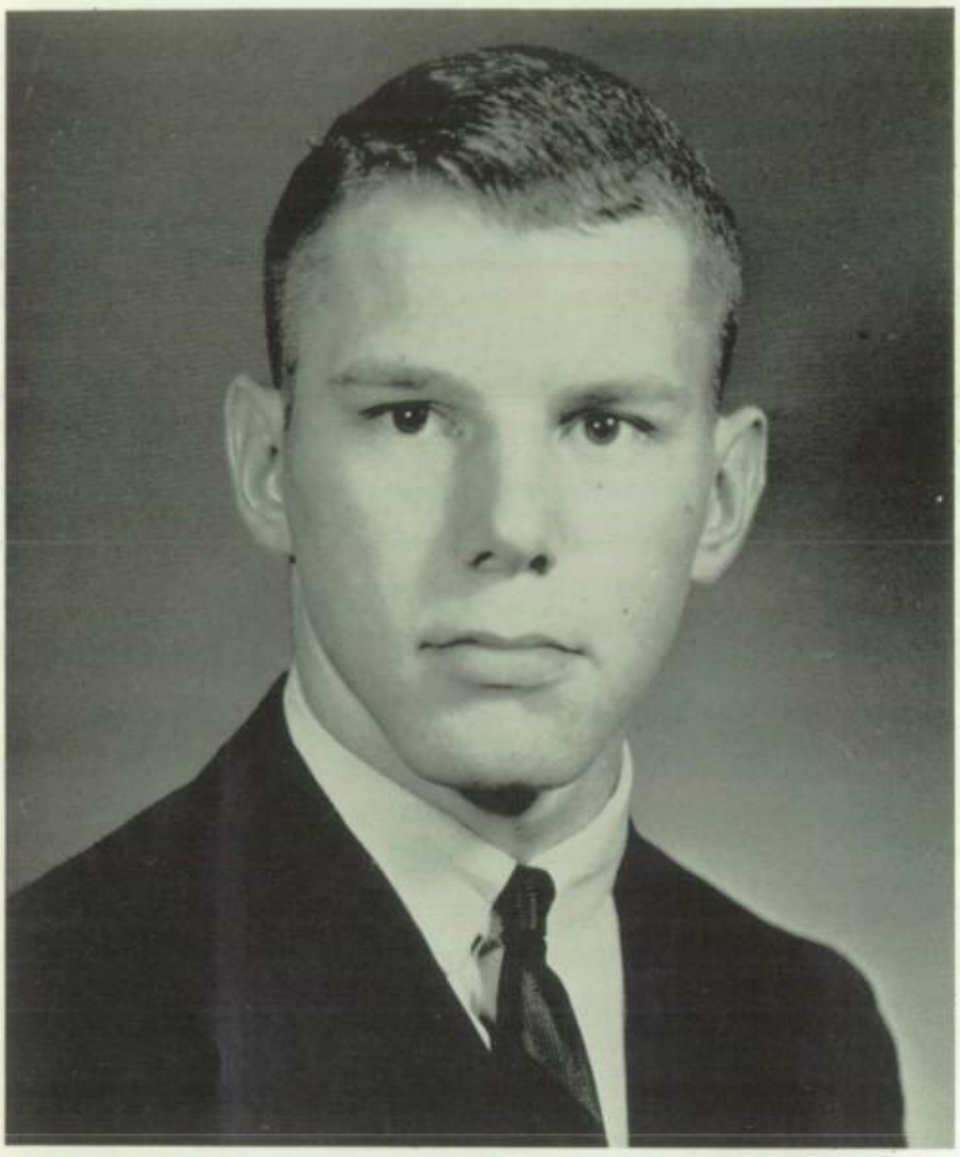
Student Council Officers



WARREN JONES
President

To foster, perpetuate, and promote the ways of a democracy in our lives and in the lives of our future citizens is the role of the Student Council in the high schools of today.

The Student Council serves to develop in the student that state of mind which causes him to do the right thing because it is the right thing, rather than because he will be punished if he does not conform.

It is responsible each year for supervising all elections inside the school, chartering all clubs and organizations, sponsoring Prince and Princess of Friendship nominations, and conducting fund-raising drives.

The Student Council is the organization which seeks to develop the best that is in the student and which tries to make him a well-informed, honest, interested, and active citizen of our democracy.

The Junior High Student Council is the governing body of the seventh, eighth, and ninth grades. Its representatives and officers are elected by the junior high student body. Each year the council sponsors a magazine drive to earn money for its service project.

The Junior High Student Council has been responsible for the installation of curtains in our school cafeteria. The magazine drive has enabled them to air-condition our library and to purchase water coolers for the building.

At the present they are engaged in placing a school emblem in the foyer of the front entrance.

Our thanks go to the Junior High Student Council for their many contributions to Classen.

Honor Society

The National Honor Society requires each of its members to attain the highest standards in character, scholarship, leadership, and service. The scholarship requirement of the national organization is a 3.6 average. Students who have met the requirements for membership and have been approved by the faculty are honored at the initiation tea held in November. The Honor Society is the incentive of students who wish to attain the goal of scholarships.

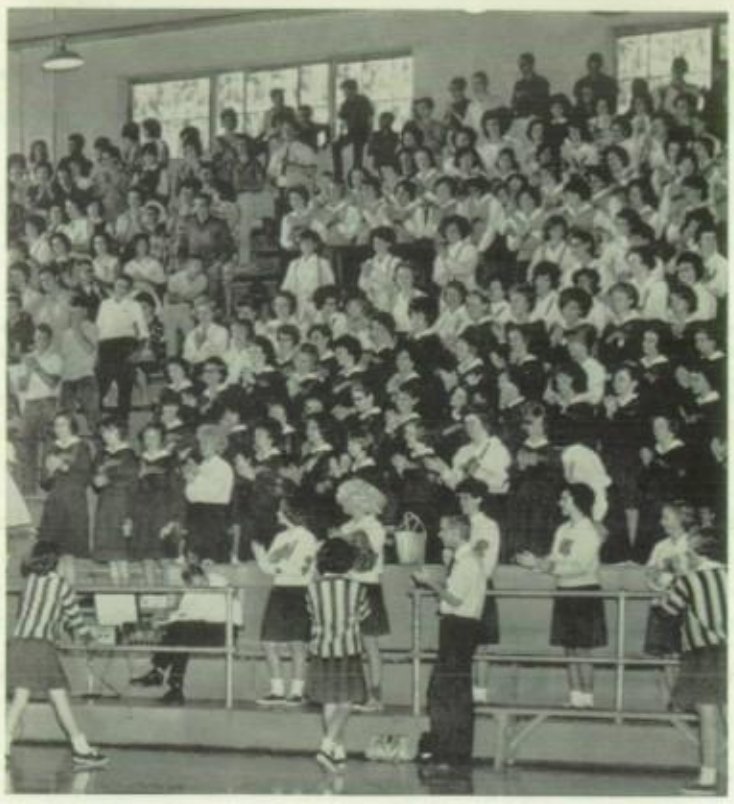
Tri-C's

Palms down, left arm straight out . . . don't be so stiff when you yell . . . there, that's better, now you have it. Before a girl ever takes the floor at try-outs she has worked hard every week to learn all the small but definitely important details of executing a good yell. Helping the girls to learn all this is the job of the Tri-C's. The work pays off as one can tell when watching our all school cheerleaders.

Serving as Tri-C officers are the 1964 all-school cheerleaders.

Part of the Tri-C's purpose is to give the girls experience in cheerleading. Besides learning and participating at their weekly meetings, the girls compete to serve as B-squad cheerleaders. These girls lead the crowds during the B-squad events at football and basketball games. Serving during football season were Sydney Singer, Susie Chitwood, Coby Collins, and Sally Wilson. The cheerleaders during basketball season were Nancy Schott, Cathy Marshall, Marilyn Wallace, and Cheryl Knox.



Go, Comets . . . Beat Eagles!!!

Girls' "O" Club

President, Laura Pierpont; Vice-President, Nancy Burroughs; Secretary, Lou Ann Todd; Historian-Reporter, Charlene Bassett.

Will she get it over the net, or will the team have to put a knot on her head?

The Girls' "O" Club, corresponding to the Boys' "O" Club, is the girls' representative in the field of sports. They participate in such sports as volleyball, ping pong, baseball, and many other athletic events. They not only show merit in sports, but they also hold regular club meetings with officers conducting their business. In the past, Classen's Girls' "O" Club has shown skill in athletics and sportsmanship, and they are continuing to keep up the good record this year.

Boys' "O" Club

To the "O" Clubs goes the pleasant task each year of choosing the "O" Club Sweetheart. The "O" Club is unique among organizations at Classen in requiring its members to letter in at least one varsity sport. The "O" Club sponsors the "Toys for Tots" drive each year at Christmas. The management of the concession stand during the basketball season is also one of their duties. The club's intention is to instill fellowship and sportsmanship among the athletes.

Safety Council

The Classen High School Safety Council works to promote safety within the halls and about the grounds of Classen. The Senior High Safety Council sponsors car registration each fall. This year the Safety Councils joined together in presenting the school with a new 50-star flag. We are grateful to them for their work.

The Red Cross, sponsored by Mrs. Ann Fowler, is just one of the many service clubs in which Classen students participate. The Red Cross is a nation-wide service that offers such activities as camps, caroling, general Red Cross meetings, and the Chest which is sent to a needy foreign country. Early in the fall every student at Classen is asked to contribute any amount that he may choose to be sent to the Red Cross headquarters in Washington. Any student in the Red Cross will find that high school is not the end; there are things to do and people to help the rest of their lives through the Red Cross.

Science Career Club

The Classen Science Career Club serves as a gathering place for members to meet and discuss their interests in the various fields of science. Meetings are held twice monthly, devoted to discussions of interests in the progress of science. The programs of this club are coordinated by its sponsors, Mrs. Bernis Greer and Mr. Dennis Frey. The Science Career Club assumed the responsibility of supervising projects for the Science Fair this year.

Junior Classical League

The Junior Classical League is composed of Latin students. Each year these students meet with other Latin students in Norman for a state conference. The Latin Club has different functions during the year. One is the Roman Banquet, which is planned as a spring activity. The students wear togas and prepare Roman food and drink. The first year members are sold to the highest bidder as slaves. They also select an emperor and empress for this banquet. This club is one of the most active at Classen High School.

The Spanish Honor Society (La Sociedad Honoraria Hispánica), for secondary schools, is sponsored by the American Association of Teachers of Spanish and Portuguese. It was formally organized in 1953, and national officers were elected in December, 1957.

The purpose of this organization is to recognize high achievement in Spanish by students of secondary schools and to promote a continuity of interest in Hispánic studies.

Each chapter chooses its own name, that of Classen being the Cervantes Chapter; it was organized last fall.

French Appreciation

The French Club, under the direction of Mrs. Horton, has made many a Mademoiselle and Monsieur familiar with customs of the country of France. Through this interesting and educational club its members can better appreciate the French flavor in their lives. This year the French Club devoted much of its time to the project for the International Chuckwagon.

Projection

Lights! Camera! Action! The show begins as one of the projection boys comes to your class to show a film. These boys are available any hour of the day when a teacher might need them to show a film. Teachers and students appreciate the fine service that these boys offer.

A nice, sedate picture of the Thespians? . . . Don't even try, because they are a lively bunch. The Thespians group is composed of those students who are interested in one of the many aspects of the stage. The members handled stage sets, lighting and make-up during "Carousel" and later on presented their own production. Many of the Thespians participate in the speech and drama tournaments throughout the year. So, as one can see, the group is a lively and interesting one. Speaking of an interesting group, Judy Baugh must know something we don't!

National Forensic League

The National Forensic League is composed of those students who have received outstanding recognition throughout the year. These students work to gain the points necessary for membership. Degrees are given as more points are earned. A new member has earned the degree of merit. Graduation to the degree of honor is next, with the degree of excellence following. The highest honor that can be earned by a member is the degree of distinction. Officers serving the organization this year are Jim Skouge, president; Cindy Gauntt, vice-president; Suzanne Dessauer, secretary. Classen has many things to be proud of and the National Forensic League adds much to this pride.

F.T.A.

The F.T.A. provides the opportunity to learn the requirements, purposes, and goals of teaching.

The F.T.A. honors a deserving teacher each month with a "Teacher of the Month" award. Each senior high class is given the privilege to select, in their opinion, the deserving teacher.

First Row: Margaret Dark, Marjorie Jezek. *Second Row:* Judith Donohoo, Suzy Burnett, Charla Byrd, Miss Fox. *Third Row:* Pam Dale, Kati Fox, Mary Ann Dyer.

Tape Club

In the past years Classen's Tape Club has corresponded with countries all over the world. The club is made up of students who are interested in the life and environment of foreign students. Often the club has different guest speakers who talk to them about the countries in which they live. This year the main project of the Tape Club is the tape or film of Oklahoma and Oklahoma City for the World Tapes for Education. When completed, this tape will be sent to countries all over the world.

Junior Hi-Y

Rodney Woodruff, Vice-President; Corky Miller, Haskel Brock, Larry Blair, Kelly Stephens, Steve Taylor, Marc Gershon, Johnny Carter, President; Steve Dyer, Tommy Thomas, Mr. Taylor.

The Junior Hi-Y is the branch of the YMCA here in Oklahoma. The Junior Hi-Y is a service club for boys in junior high school. The boys are kept busy by helping other Hi-Y's through the YMCA with such things as the selling of different items. The main event that Classen's Junior Hi-Y participates in is their basketball team. This team plays other Hi-Y teams throughout this area and finds that sports do promote good will.

Office Aides

The office aides assist the office personnel in their daily business. These aides collect attendance cards each hour, prepare the absentee list, and keep the attendance records. They run the switchboard and help with other office procedures.

Clinic Aides

Clinic aides carry a heavy load of responsibility. It is their job to hand out aspirins and to bandage skinned knees and elbows. Mrs. Greer has said that this year's aides are some of the best she has ever had. In her words, "They are dependable, trustworthy, and just an all-around good group."

Row 1: B. Wasson, S. Noble, Mrs. Greer. *Row 2:* M. Minden, L. Glidewell, S. Wotring. *Row 3:* D. Wasson, E. Hall, J. Miseles.

Student Store

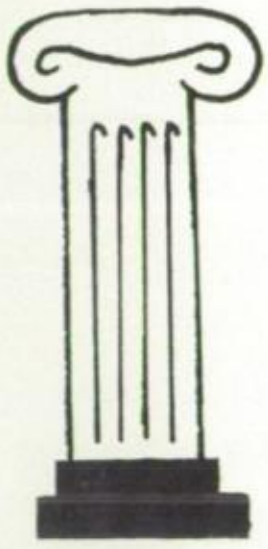
The student store aides are in our store every morning before school and throughout the day to serve the students of Classen High School. They help them with notebooks, paper, pencils, and other school supplies.

Row 1: J. Patchin, S. Rust, J. Martin, C. Byrd, N. Purdy, M. Wallace, Mrs. Freiberger, P. McCharen, L. Brown, P. Brown, M. Copeland.

Library Aides

Students are checked carefully before they can become library aides. A student librarian must be trustworthy, of high character, and good personality. These aides check out books and keep the shelves orderly. They deserve our thanks for their dedicated service to the Classen Library.

Row 1: L. Sander, M. Lawson, P. Johnson, A. Samara, M. Landrum, B. Main, D. Maddox, C. Marshall, S. Wilson, Miss Unferth. *Row 2:* A. Mohrmann, Mrs. Reynolds, D. Stotts, S. Dyer, D. Moncrief, L. Kadavy, J. Shipley, D. Street, P. Dickson, P. Taylor, A. Slonecker, C. Knox.



CLASSES

"We're the Class of '64 . . .

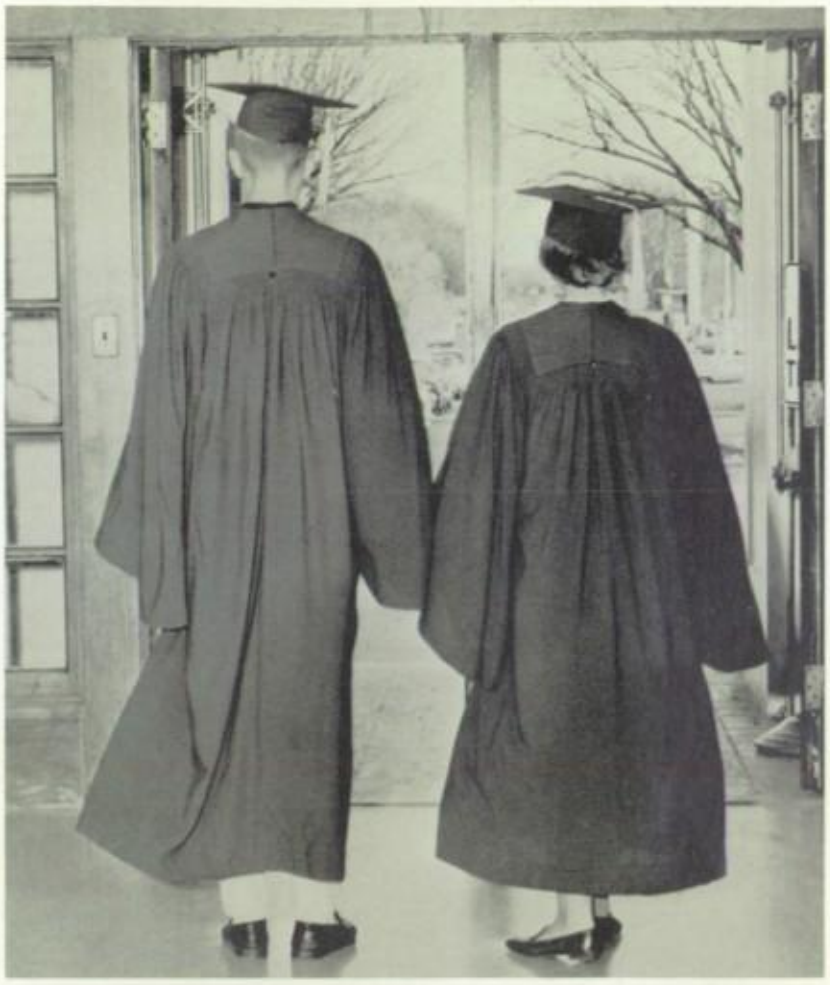
Here I come, ready or not!

If Superman can do it, so can I!

We are the seniors, the seniors are we . . .

We are the best of all the rest . . .

Have fun, seniors! There won't be many more basketball games this year.



A whole new world of opportunity lies ahead for the graduating senior.

We Are Better Than Before"

We wish Miss O'Neal could graduate with us!

The long and short of graduation.

Long awaited, yet dreaded; happy, yet sad; wonderful, but last!

'64 holds promise for seniors.

Seniors' Last Christmas

The icicles were hung from the branches with care . . .

A few minutes with Santa.

Jubilant Juniors Jest . . .

By pestering seniors and "stepping on" seventh graders, the juniors have made a place for themselves in the sacred halls of Classen. The juniors have used this year to participate in most school activities and add to the spirit of the entire student body. Our tradition is one that we have and will uphold.

"Who'll keep Classen High alive? . . . The swinging class of '65!" . . .

The junior class officers are President, Dee Fuller; Secretary, Cindy McConnell; Treasurer, Joy Leach; and Vice-President, Danny Gauntt.

What is this? Mass Court Busting!!!

STEVE ASBURY

Captain

Coaching our COMETS this year were Gerald McPhail, Phil Dalke, and John Dunaway. We want to congratulate them on a fine season.

Classen has completed what is probably their best season in eight years. The team showed a desire to work hard and drive themselves at all times. They had an explosive offense which scored 168 points during the season. For example, against Southeast they scored 18 points in a minute and a half.

We will miss the sixteen seniors, who have done a great job, but we are sure our well-trained underclassmen will carry on a fine season next year.

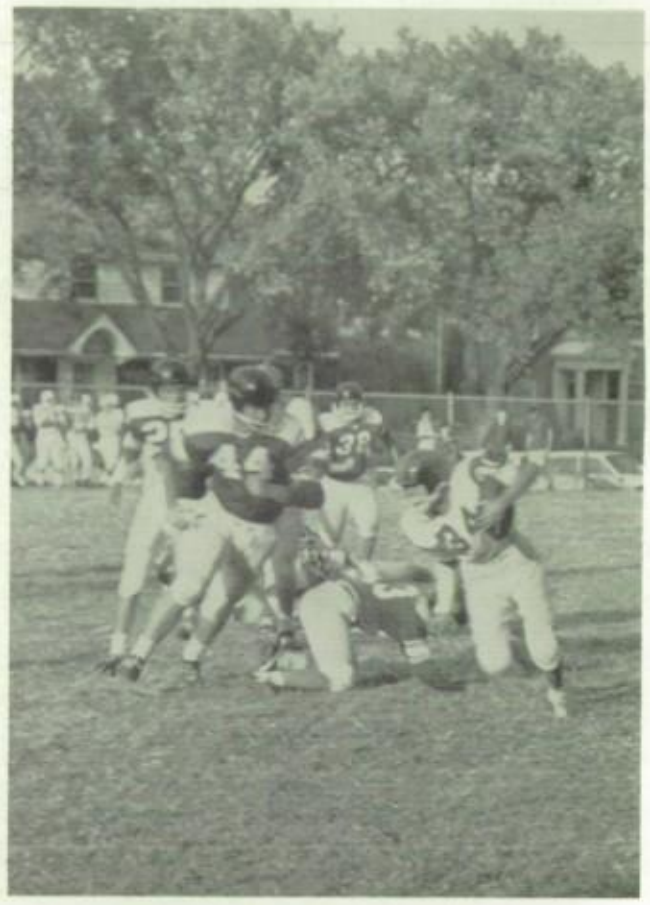
Junior Comets

The junior high football team played hard this year under the guidance of Coaches Dunaway and Thurman. The Junior Comets played better than the scores indicated, and we are sure next year the scores will prove their hard work.

Coach Dunaway and Coach Thurman line up with captains Alan White and David Rogers.

Charlie Smith (15) runs to the rescue of Alan White (41) at the John Marshall game on our field.



Larry Claborn, little but mighty, pulls out around for the touchdown run.

The Comet Roadrunners had individual winners in conference and city meets, but lacked team strength to take those titles. Still, the squad was strong enough to establish a new course record in the OCU 6-mile relay and take the class A title. In state competition Danny Davis, one of the squad, finished second, the best place of any Comet in recent years, and the team topped all other class A squads.

The Roadrunners also participated in the Los Angeles to Detroit Olympic Torch relay, the longest such race in history.

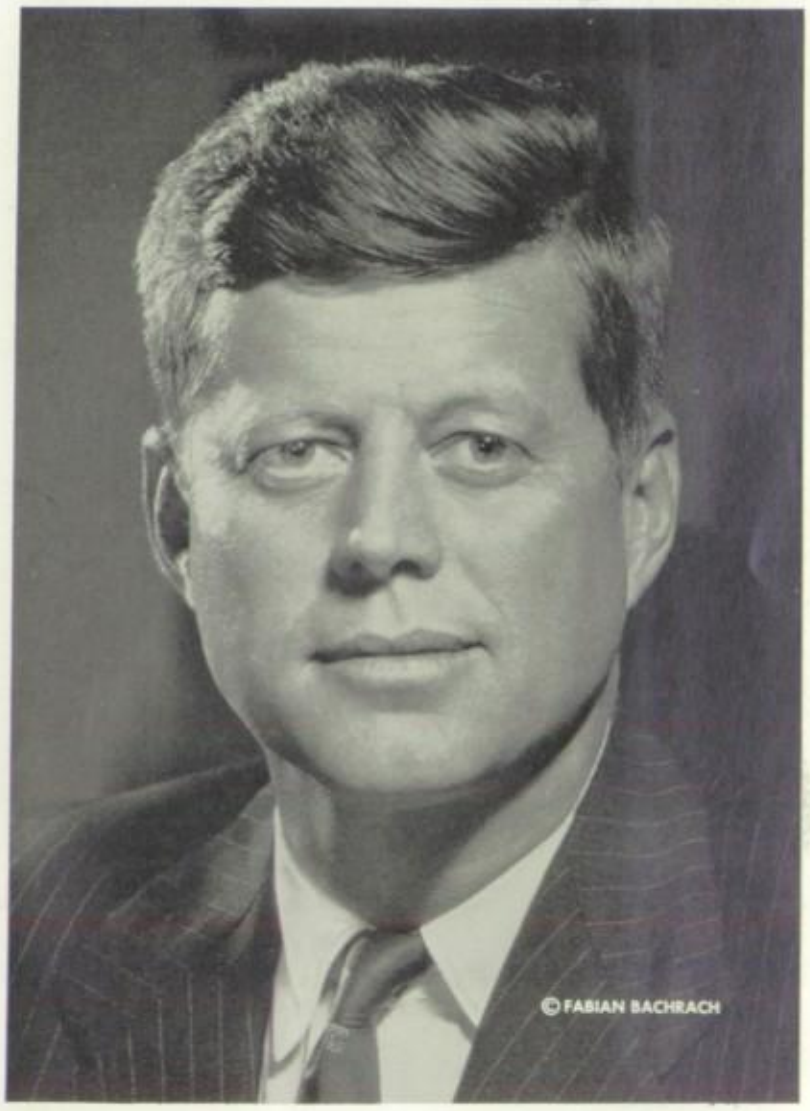
In Memoriam

"To live in the hearts of
those we leave behind,
Is not to die . . ."



JOHN FITZGERALD KENNEDY

Thirty-fifth President
of the United States
May 29, 1917 — November 22, 1963

Acknowledgment . . .

The year '64 has passed and the memories of those days spent at CHS will linger in the minds of the students who lived those youthful days. For the seniors, it was a climax to six long years filled with learning, and the joy of being just a student. For the underclassmen, it was another year in the discovery of opportunities. Though the thoughts of youth are long, long thoughts, memories of the days gone by may be forgotten by the conscious mind and stored in a place where only youthful memories can be set aside . . .

To relive those memories is a pleasant experience and the record of these occasions is vividly presented and preserved in the '64 Orbit.

To express gratitude is a difficult task. But with sincerity and gratitude, I wish to take this opportunity to thank each member of the staff. These students have given much time and effort toward making the '64 Orbit a success. To these girls, Gayle Barrett, Judy Chechovsky, Janette Cobb, Marti Duerksen, Lynda Glidewell, Lida Leith, Roberta McAfee, Pat Pinkerton, and Sarah Powell, I express my appreciation. Much of the responsibility was given to the editors, Martha Minnich, business manager; Martha Moore, copy editor; Kathy Tilsner, layout and art editor; Diana Howe and Chris Haase, sports editors; and Vicki Carr and Vicke Fincher, senior editors; and I wish to thank them for their cooperation. A special word of thanks goes to our photographers, Darrel Aten, Gary Farmer, Steve Chernicky and Jimmy Capps. And a very special thanks goes to Darrel Aten for the many hours of his free time he has given to yearbook photography.

Last, but not least, a warm feeling of gratitude goes to our sponsor, Mrs. Tilsner. The '64 Orbit has taken an extra special place in her memory. As editor, I want to express my feeling of gratitude for her guidance not only as a sponsor, but as a dear friend.

With a feeling of accomplishment and pride, the staff of the '64 Orbit, proudly and yet with a touch of sadness, places the '64 Orbit among the yearbooks of years gone by on the shelf of remembrance . . .

Sincerely,

Cynthia Walters

We wish to acknowledge those who have given their time and effort to the Orbit '64 staff. To Barclay Curtis, Agatha Campbell, and Jerry Carroll of Taylor Publishing Company, we wish to express our appreciation. A hearty thanks goes to "Aggie" Campbell for her many helpful ideas. Wagner Studio also deserves special recognition for their time-consuming job of photography. To the many, many others who made our yearbook possible, we express our sincere gratitude.
